

Forever Green Quilting Project

Girl Scouts of Northern California invites troops to submit a block to be a part of a commemorative quilt for the 100th Anniversary!

Create your Quilt Block:

Troops are invited to create a 9 ½" X 9 ½" quilt block, please leave a ¼" border on all sides for seams. We are asking you please use cotton fabric and prewash for shrinking before cutting the square. Girls may represent what Girl Scouting means to them, something special they have done or a goal that they want to achieve in this next 100 years. Troops may use their creativity to represent the whole troop in one quilt block.

Using the Blocks:

We will utilize the all the blocks submitted to create a large display quilt, more quilts may be created depending on the number of squares we receive. Finished quilts will be displayed at the One Hundred, Fun Hundred celebration event on May 5, 2012.

Submission Donation:

In order to offset the cost of putting the quilts together we are asking that each troop submit a \$8 donation along with their quilt square to help in the purchasing of supplies to put it together.

Alumnae Quilt:

Alumnae who would like to participate to have their Girl Scouting experience commemorated as well are welcome to create their own square and submit it for an Alumnae quilt with a \$8 donation as well. When submitting quilt square please note in your submission that it is for the Alumnae quilt.

Submitting your Quilt Block:

Quilt blocks will be accepted up until **January 5, 2012**. Troops and Alumnae may submit their quilt block and \$8 donation by mailing it to address below.

For questions please contact Kerry Barcellos at:
KBarcellos@girlscoutsnorcal.org or 510-562-8470 ext. 6001

We look forward to seeing your squares!

100th Anniversary Quilt Square Submission Form

Thank you for your participation in our commemorative quilt!

Please send this half sheet along with your quilt block and \$8 donation.
