

Get Outdoors!

Make a difference at the GSNorCal sites you love.

Here's **how you can take action** to increase use at our properties:

INCREASE WEEKDAY USE:

- ☑ Tell your community about our properties and their availability to rent – spread the word to schools, non-profits, and church groups about weekday use.

INCREASE WEEKEND USE:

- ☑ Bring your troop and invite another troop to join you for a **fun weekend exploring and discovering** our sites!
- ☑ Use our sites as an overnight base to discover **scenic ocean coastlines** and **majestic Redwood forests**, or escape by ferry to access **your urban adventure!**
- ☑ Show off a site near you to sister units in other parts of council – **host an event.**
- ☑ Adopt-a-Camp: Be good environmental stewards - **volunteer for Work Parties.**

Watch for our Property Spotlights in future Monday Mailings!
