

100th Anniversary Town Square Celebrations

Girl Scouts everywhere will be meeting in their local “town square” to honor the 100th Anniversary of the very first Girl Scout meeting on March 12, 1912.

Rally your local Girl Scouts together to come celebrate this historic event on March 12, 2012. You select the time, but it needs to include 7:12 p.m. that is actually 19:12 in military time. There should be some sort of COUNTDOWN done at this exact time, so that everyone would know that thousands of girls will all be doing the same thing – at the same time – throughout our Council and possibly beyond.

Come join the celebrations in your town. If you don't see your location below, contact your local service unit representative.
